FLUFFY FEATHER FARM

Hi. I'm Adam!

FARM INFLUENCER & ENTREPRENEUR

My husband Mike and I founded Fluffy Feather Farm in 2022. After a decade immersed in the pet industry, we decided to prioritize family and forge a deeper connection with our twin boys, Kaleb and Keegan. Little did we know that our quest for quality time would lead us back to our roots and our shared love of animals. This time, we are growing farm-fresh produce and raising miniature Scottish Highland cows, miniature donkeys, goats, chickens, and ducks.

We take pride in being a family-owned and operated homestead with over 300 animals. We believe in a family-first approach and provide top quality and complete transparency. From dawn till dusk, we tend to every animal's needs, ensuring they thrive in a loving and nurturing environment. Whether it's an adorable fluffy calf, a strawberry patch, or farm-fresh eggs, our commitment to quality and our close connection to the farm as a family shines through in all we do., including creating creating social content.

Social Media

@FLUFFYFEATHERFARM

While we are a full-functioning farm, social media is also a big part of our business! We have a highly engaged and heavily invested audience, primarily women aged 25-44 in the United States. They appreciate creative content, and we make sure to give it to them. We're always excited to partner with brands that share our values and will be of interest to our active followers. If this sounds like you or your brand, we look forward to hearing from you, working with you, and putting your brand in front of the highly-engaged Fluffy Feather Fam.
