THINGS TO KNOW

This beautiful chondro negative heifer is the daughter of Coconut (44") and Benny (39"). Her stunning red and white coloring gives her a look that's all her own, combining two beautiful Highland colors in one adorable little package. There's something especially lovable about a colorful little Highland calf, and this girl is no exception. With her beautiful markings and irresistible Highland charm, she's ready to make someone fall head over heels in love!
